Retractable Roll-Up Banners

This file contains information regarding the requirements for Retractable Roll-Up Banner artwork. When designing the file, you should follow these guidelines. You should supply files in CMYK format with vectorized elements for most orders. RGB images, such as photographs, should be embedded at a resolution of 300 dpi. Texts should be outlined.

Banner Width

Artwork Height

Banner Height

Banner	Artwork
12" x 71"	13" x 79"
16" x 79"	17" x 87"
32" x 79"	33" x 87"
33" x 79"	34" x 87"
39" x 79"	40" x 87"
47" x 79"	48" x 87"

2" visible from close proximity*

6" not visible but still required*

*The grey part is mostly not visible as it goes inside the mechanism. You can peek at the very top of this area from a close distance, so you should continue any background color to the bottom.
