

The following pages contain artwork instructions for tube scarf hanger card packaging. You should always supply artwork in CMYK colors and vectorized PDF format.

If you wish to apply for the **Pinpops® X Brand** discount, you should include one of the following texts according to the type of tube scarf produced. You cannot change the size of the text. However, you can change the color to match the style of your design.

We will replace the coloring of the logo after approval. You will see a final digital proof before proceeding to production.
